VOLUNTEERS!!! We need your help

There are sign-up sheets (for set up, take down, dressing room...) on the bulletin board posted in the arena. Denise (dstathis@sympatico.ca; 519-542-0583) is available to answer any questions. The Carnival shows run smoothly and safely largely because of VOLUNTEERS.

Costumes

Please make sure your child's costume is completely covered when they are in the arena. All skaters should have clean skates with white laces for girls, black laces for boys. Beige pantyhose or tights for the girls.

DO NOT USE BOBYPINS. Also, please do NOT alter or add to the costume from its final approval at Picture Day. Please give consideration to dressing your child in appropriately coloured undergarments. (Special consideration to those dressed in white). Accessories that were gathered at picture day will be available in the dressing rooms on the day of the carnival. All boot covers and head pieces (handed out separate from costume) need to be returned. There will be containers in each dressing room for collection of these on Sunday. **NO GLITTER PRODUCTS allowed in the arena (including dressing rooms).** If glitter is desired, please apply the glitter at home.

PreCanSkate Singing in the Rain - There will be someone outside the changeroom at the final show to collect the white shirts & black pants and refund the deposit fee. If you will not be at the Sunday show please contact Brandy bbrandy14@hotmail.com after the show to arrange the return.

Dressing Rooms

On Carnival day there will be a Group Mom who will stay with the skaters in each dressing room. Unfortunately, we cannot have Dads in the girls dressing rooms as there will be girls changing. There will be chairs outside of the change room for those dads that need to help tie up skates. There will also be a separate change room for boys. Dressing rooms will be labeled. Remember no food, drinks or glitter are allowed in the dressing rooms.

Please go directly to your dressing room when you arrive at the arena or at the scheduled time if you are in the 2nd half. Skaters will be asked to remain in the dressing rooms until they skate. Once they are finished their number, they will go back to the dressing room. Singing in the Rain group must be picked up immediately after their number. All CanSkate groups who are in the first half must be picked up at intermission so as not to interrupt the show. Group Moms will stay in the room with the skaters until all skaters have been picked up.
